# NurseLinkUp Forum Rules

Posted by TheQuadLaser - 2008/06/06 11:12

---

In order to keep forums fun, and free of any unwanted content, please follow these simple rules for forum use. If you have any questions, please contact the site administrator.

## General Rules:

- While debating and discussion is fine, we will not tolerate derogatory, racist, or offensive comments.
- Creating meaningless posts for the sole purpose of increasing your post count will not be tolerated.
- Any form of stalking or abuse is not allowed. This includes using the forum email and Private message system to spam other members. Please be respectful of others.
- Posting comments or topics that are graphically or offensively sexual in nature is not permitted.
- Posting items, photos, links or otherwise to illegal, pirated, copy written or malicious content is strictly prohibited.
- Blatant advertising of products or services is strictly prohibited.
- You cannot post any affiliate or referral links, or post anything asking for a referral. Such posts will be subject to removal.
- You cannot post advertisements or notices for contests or other promotions.
- Anyone who willfully or knowingly disobeys forum rules will be banned.
- We reserve the right to remove offensive posts without notice. We also reserve the right to remove any post for any reason that we have not yet anticipated.

## Signature and Profile Photos:

- Any profile photo that contains nudity or offensive content is prohibited.
- Please keep signatures brief, as a courtesy to other members. Signatures may be no longer in height than approximately the height of your forum avatar.
- Animated signatures are not allowed.

## Services and Solicitation:

- Do not use the forum for advertising or soliciting any products or services for your personal benefit. Any posts containing such content will be removed and repeated attempts at posting such content will get you banned.
- Soliciting or advertising is strictly prohibited in private messages to other members. Please, if you are receiving solicitations in your private mail box, report it to a mod immediately.

Please respect these rules to keep our forums clean and free of unwanted content.
